

Great Lakes Division Roundtable Agenda

If you have the need for a meeting that is not on the schedule please let us know. We can add your group.

All attendees are encouraged to participate in the **Town Hall - Open Forum**. Anyone may ask a question or offer an opinion. Moderators will conduct the meeting so all who want will have a chance to speak and a few don't dominate.

The **2009 Race Scheduling Meeting** is open to anyone interested in attending. However, there can be only one spokesperson per Region - so make that decision before the meeting begins.

The **Solo Meeting** is an opportunity for all Solo enthusiasts to gather to share information and ideas and to ask questions. WOR Solo Chair will moderate the meeting and Division Administrators will be on hand to answer questions.

If your Region doesn't participate in the **Street Survival Program** this is the time to learn what it's all about. It is a win, win, win deal. Your Region gets positive publicity, you provide a Community service for teen drivers and you can make a little money. If your Region already participates, please come and share your expertise.

The **Race Chairman 101** meeting is presented by John Peterson and is a must for Race Chairs, future Race Chairs and any key race personnel. He will lead you through the steps necessary to run a good race and stay on the good side of the Division and National.

The **Region's Open Forum** will give Regions a chance to share problems, concerns, solutions and good ideas. We plan to cover membership, activities, finances, communications (including newsletters, web sites and email blasts), and anything else you'd like to bring up.

Rally Cross has four Regions that we know of with a program in place. They would like to get together and would welcome any other Regions who want to learn about Rally Cross so they can join in the fun. How about a Divisional Rally Cross Series?

Workers, we welcome you with open arms. The workers will have an open forum to discuss mutual issues and the room is large enough to break out into specific specialties if you wish.

We are awaiting responses from some before we firm up the moderators or speakers for some of the sessions. We also welcome volunteers if you feel you want to contribute. We have letters out to possible sponsors for our Continental Breakfast and Breaks. Again, we WELCOME any volunteers, so if we didn't contact you please contact us.
